* Login Page

The sketch depicts a mobile application login screen. At the top center is a circular logo containing the word "Logo". Below the logo is the text "Sign in". The form includes a "username" field with the placeholder "E-mail" and a "Password" field with the placeholder "****". To the right of the password field is a note: "→ accept only email" and "→ text field". Below the password field is a "Login" button and a radio button labeled "Remember me". To the left of the "Login" button is a note: "Button go to home page". At the bottom of the screen are three options: "Sign up new user" (with a person icon), "Login with Facebook" (with the Facebook logo), and "Forgot Password?". To the left of these options is a bracket labeled "Buttons". To the right of "Sign up new user" is a note: "→ go to page 2". To the right of "Login with Facebook" is a note: "→ Page 4". To the right of "Forgot Password?" is a note: "→ go to Recovery Page" and "button Page 3".
